VII. **Sick Leave Bank for Certified Employees**

The Sick Leave Bank is available to all certified, full-time staff who accumulate sick leave as per Board Policy and are contracted for at least 180 days. The purpose of the bank shall be for participating staff member's unexpected catastrophic illness and/or injury. Each participating member shall invest two (2) sick leave days in the bank.

1. Qualifications:

The bank shall be available to eligible staff at the signing of their yearly employment contract. Members may accept or reject participation at that time.

Any participating staff member having used their total accumulated sick and personal leave, may after three (3) working days, without pay, apply to use sick leave bank days. Application must be in writing and shall be given to the superintendent for consideration. A medical doctor's certificate of illness shall accompany all applications for use of the sick bank.

3. Limitations:

- A. Any participating member of the sick leave bank, upon approval of the superintendent, may draw from the sick leave bank for a period not to exceed one half of the days available in the bank. The bank shall be realized regardless of employees' other benefits.

No employee of the district shall ever be approved to use more than a combined total of ninety (90) days of leave from the sick bank during the course of their employment with the Beach School District.

- B. The sick leave bank will be offered to eligible staff on a year-to-year basis and only if a majority of those eligible participate.
- C. Unused sick leave from the bank will be equally distributed back to those participating members on a whole-day basis only. If thirty-five days were left in the bank at the end of the school year and thirty-six staff had participated, then the thirty-five days would be permanently forfeited by the participating staff. If thirty-seven days remained in the bank and thirty-six staff had participated then each member would be credited with one day sick leave and one day would be permanently forfeited.
- D. Those staff members who participated and are at the 85 maximum days in their personal sick leave would be reimbursed at \$50 for any sick bank days. Staff members who participated and are below the 85 days maximum sick leave days allowed would receive the credited sick bank days in their accumulative personal sick leave.

- VIII. All teachers will be reimbursed the same per minute rate of the current substitute pay as established by the Board for substitute teaching for school activities, professional leave, sick leave and/or personal leave when substitute teachers aren't available.

Prior approval for all courses taken out of teaching fields must be obtained from superintendent in each case.

XIII. **Liquidated Damages Clause**

Once a contract is signed, it is assumed that teachers will not request a release during the term of the contract. It is mutually acknowledged that termination of a contract by the teacher, prior to the completion of the contract terms, results in damages to the School District which are impractical or extremely difficult to actually ascertain. In an effort to fix compensation which bears reasonable relationship to probable damages and which is not disproportionate to reasonable anticipated damages, the following sum shall be paid by a teacher requesting a release from contract which is approved by the School Board. The teacher making such a request shall include a monetary payment for the proper dollar amount with the request, in order to be considered for release of contract by the School Board.

- a. June 1 - June 30.....1% of Base Salary
- b. July 1 - July 31.....2% of Base Salary
- c. Aug. 1 - teacher's contract ending date.....3% of Base Salary

Nothing contained herein shall be construed to mean that the Board must release the teacher upon payment of the above amount. The School Board may, in its sole discretion and by reason of extenuating circumstances, waive part or all of such liquidating damages.

The teacher will also, upon release of contract, forfeit payment for the current contract year, unused sick leave according to Section IV. Sick Leave, (d). The Board may, in its sole discretion, and by reason of extenuating circumstances, waive part or all of such payment for unused sick leave.

XIV. **Medical insurance for Beach Schools' full-time teachers**

2017 - 2018 maximum dollar amount for single medical insurance, single with dependent medical insurance, or family medical insurance will be equal to the yearly premium (as determined on the anniversary date for the year and 2017-2018 contract year) for single medical insurance equivalent to the Beach Public School District group policy. Part-time teachers will receive pro-rated insurance coverage equal to the percentage of time they are employed by the Beach Public School District.

XV. Teachers' noon meals will be reimbursed by the Beach School District when the teacher is on duty. Teachers are expected to purchase a meal ticket in advance for days they are not on duty.

XVI. Teachers working at high school ballgames, etc. will be reimbursed \$18.00 per game/activity. Teachers working junior high games will be reimbursed \$12 per game/activity. Teachers and their spouse will also receive a pass to regular season ballgames. All teachers excluding head coaches and high school music (band) will be expected to take assigned duty. The teacher on duty having schedule conflicts will find another teacher to exchange their duty. The administration will attempt to resolve conflicts when setting up the master schedule.

XVII. A copy of the Beach Salary Schedule and Attachments will be given to all Beach School teachers each year.

XVIII. This agreement shall be in effect immediately upon ratification of both parties and remain in effect until June 30, 2018. It may be amended by mutual agreement of the same parties who entered into it originally. It will be renewed automatically for a period of one year from the expiration date each year unless one of the parties shall have notified the other at least 90 days before the expiration date that it will not accept renewal, in which case it will be renegotiated.

XIX. **Extra-Curricular Activities**

a. The school board and the administration will determine the number of people to be employed on the extra-curricular pay schedule and will assign these responsibilities when it is felt that the position described is necessary to the development of a complete school program. When feasible, these responsibilities will be assigned with the consent of the teacher.

b. The extracurricular pay schedule will be negotiated at the end of each negotiated contract period.

XXII.

Grievance Procedure

The Beach Public School Board, the Beach Public School Administration and the Beach Education Association do hereby agree that an effectively functioning grievance procedure contributes directly to improved professional relationship and thus the quality of professional service to the children of the Beach Public School District. The parties do hereby further agree that in every employment relationship, grievances and dissatisfactions arise. Constructive suggestions can often go unheeded, and the Beach Public School System is no exception. A plan to assure the orderly presentation of suggestions, to resolve dissatisfactions, and redress grievances of both supervisory and teaching personnel is an important part of the effective operation of the Beach Public School System.

a. Objectives

- The broad objectives of the grievance procedure for the Beach Public School District will be:
 1. To insure an opportunity for professional staff members and administrators to have unobstructed communication with one another and the school board with respect to alleged grievances without fear of reprisal.
 2. To reduce the potential area of conflict between professional staff members, administrators, and school board.
 3. To encourage and assure the freedom of effective communication through recognized channels between professional staff members, administrators and the school board.
 4. To encourage the resolution of complaints as near the point of origin as possible.
 5. To contribute to the development of improved morale and effectiveness of the Beach Public professional staff through an increased understanding of the Beach Public School policies which affect them.

b. Definitions

A grievance is a claim based upon an event or condition which affects the conditions or circumstances under which a teacher works, allegedly caused by misinterpretation or inequitable application of established policy of the terms of contract.

c. Scope

The grievance procedure herein contained applies, but is not limited to the following:

1. Grievances related to the application and interpretation of personnel policies, rules, regulations or administrative decisions.

A. Charges of unjust or inequitable interpretations of:

1. Teaching load of class size.
2. Teacher assignment, promotion, or transfer.
3. Teacher evaluation or recognition of professional growth.
4. Teacher fringe benefit program or progress.

B. Questions related to placement on the salary schedule.

C. Questions related to practices concerning provisions for equipment, facilities, or supplies.

2. Grievances related to conduct prejudicial to the welfare of the students or the teaching profession.

A. Questions regarding infractions of the Teacher's Professional Code of Ethics as established by the State of North Dakota.

B. Problems resulting from controversies involving teachers, schools or educational methods.

d. Procedures

Step One (Informal)

- A teacher with a grievance will first discuss his complaint with his principal or immediate supervisor by:
 1. Expressing his complaint directly to his principal or immediate supervisor, or
 2. Requesting his Education Association's representative to express his complaint to his principal or immediate supervisor for him or
 3. Appearing together with his Education Association representative before his principal or immediate supervisor for the purpose of expressing said complaint.
- If the complaint refers to the application or interpretation of personnel policies, rules, regulations, or an administrative decision, the principal or appropriate supervisor will give the Education Association representative an opportunity to state the views of the association and, within five days, the principal or appropriate supervisor will communicate his views to the aggrieved, to his representative (if any), and to any participating Education Association representative.
- Before resolving the complaint, the principal or the appropriate supervisor may consult the next higher level of administration for an opinion. Also, the Education Association for an opinion.

- After an attempt in the above procedure, the aggrieved teacher, the principal or appropriate supervisor, or the Education Association representative may request that the complaint under consideration be referred to a grievance committee and thus proceed directly to the more formal machinery set forth in Step Two of this grievance procedure.
- The grievance committee will consist of five members chosen by the BEA.

Step Two (Formal)

- On proper written notice, the Education Association's grievance committee will, within five days, transmit the complaint to the superintendent.

The superintendent, or his designated representative, will then work with the grievance committee in a full, good faith effort to seek an equitable solution.

- A written copy of the proceedings of all meetings held concerning a given complaint under this step will be furnished to the aggrieved teacher, to the superintendent, or his representative, to each member of the grievance committee, and to the president of the Education Association.
- The parties involved must resolve any complaint under consideration within 10 days after the grievance committee has transmitted the complaint to the superintendent.

Step Three (Formal)

- If a solution acceptable to all parties concerned is not reached within 10 days after the grievance committee has transmitted the complaint to the superintendent, the superintendent or the grievance committee may request referral of the grievance to the school board.
- The school board will then work with both parties in a full, good faith effort to seek an equitable solution. If the grievance cannot be resolved under Step Three, binding arbitration by outside parties may be instituted by mutual consent.
- Within 10 days after agreeing to arbitration, the school board and the Education Association's elected officers will appoint a mutually acceptable neutral third party, free from influence by the parties involved, as an arbitrator. Within 10 days after his appointment, the arbitrator will examine the complaint, consider the opinions of all parties concerned, interpret the school policy in question, and submit his written recommendation to the school board and the elected officers of the Education Association for official confirmation. (The arbitrator's recommendation will be considered to be binding on all parties concerned.)

- The costs of the arbitrator will be borne by the school board and the Education Association.
- All decisions reached under this grievance procedure will be filed with each school administrator and the grievance committee to be used as precedents for future complaints.
