Current personnel will be credited two years for every one year of service until they reach their actual years of experience. No returning teacher shall receive less salary than the amount they would receive as a newly hired teacher with the same number of years teaching experience and on the same educational lane. Personnel will also receive \$200.00 when returning the following year. To change lanes, one must earn the prescribed hours of college credit prior to the opening of school in the Fall. Lane changes will not be permitted after the MIS03 Fall Report deadline of each school year.

Twelve days of sick leave will be granted per year. Teachers will be allowed to accumulate seventy-five (75) days of sick leave. The District will reimburse for all unused sick leave when a teacher leaves the system with the rate being \$50.00 per day. Up to five (5) days of sick leave may be used for death or funerals. The granting of this leave is left up to the discretion of the school administration. Sick leave may be used for family illness, for parents, brothers, sisters, spouses, and for children. Provisions of the Family Medical Leave Act (FMLA) will be adhered to in matters of extended sick leave.

An extended leave of absence, not to exceed one year, without salary, may be granted to a teacher when, in the judgement of the school board this leave will not be detrimental to students. The teacher granted this leave will retain his/her years of experience in the school district and upon return to the system will be placed on the salary schedule according to the negotiated agreement.

Three days (3) of personal leave may be granted each teacher without loss of pay. Personal leave can be carried over accumulative to five personal days. Teachers wishing personal leave shall apply to the Superintendent or Principal three (3) days in advance and shall keep in mind the following: No more that two (2) staff members may take personal leave on any given day. Teachers may also transfer two (2) of the twelve (12) sick days over to personal days, making the total of five personal days. Teachers not using their personal leave shall be reimbursed at a rate of \$105.00 per day. Payment for unused personal leave (up to three days) will be made after the conclusion of the school year.

When additional allowances are granted to a teacher in a critical field, per state law, the Superintendent shall notify the teachers local #270.

Each Teacher will receive \$7,660.56 which is the cost of a full single Health policy. Staff hired on the 2001-2002 agreement will be grandfathered in to use the amount of a full single policy towards insurance, flex accounts, or as a cash option. If New Salem/Almont's group health insurance policy is dropped, the amount of \$7,660.56 can be used towards flex medical, dependent care, or disability. Current staff that are eligible, medical insurance waivers will continue to be grandfathered to use the money towards flex accounts or the cash option.
