#### Section 4. Part time Factor for Teachers Employed less than Full-time

a) Salary Schedule – The part-time factor is determined by the percentage of time a teacher is contracted as a certified teacher. For example, if a teacher is employed for  $\frac{3}{4}$  of a full-time contract, the part-time factor would be .75 and the teacher would receive 75% of the full-time contract. The district shall provide each part-time contracted teacher with the proportional amount of the negotiated annual increase. (Example: If the increase is \$500, a  $\frac{3}{4}$  contracted teacher would receive  $.75 \times \$500$  or \$375). (Adopted 2005)

b) Health Insurance – To be eligible for the group health insurance, a teacher must be employed a minimum of half time (.5). The district will pay a percentage of the part-time teacher's insurance based on the percentage of time the teacher is employed. For example, if a teacher is employed for  $\frac{3}{4}$  (.75) of a full contract, the teacher would receive  $\frac{3}{4}$  (.75) of the amount established in Part C, Section 1 of the Negotiated Agreement.

c) For all other benefits listed in Part D of the Negotiated Agreement, the part time teacher would receive the number of days of leave as stated. For the purpose of this section, a day of leave constitutes the teacher's normal workday as determined by the percentage of part-time employment. For example, if a teacher is employed based on  $\frac{3}{4}$  (.75) of a full contract, the teacher would receive 10 sick days that are  $\frac{3}{4}$  (.75) of a day in length. Any accumulated days shall be carried forward to subsequent years based on the percent of time the teacher is employed. For example, if a teacher is employed based on a .75 part-time factor, is eligible for 10 days sick leave, and did not use any sick leave, the teacher would accumulate 7.5 full days.

d) In cases where a teacher's position involves both certified and non-certified employment, benefits will be earned and paid in proportion to the benefits allowed each position. (Adopted 2005)
