- A. **New Hires.** The above table will be used for new hires. \$550 will be added to the applicable education lane above for each year of experience prior to coming to this district, up to a maximum of ten years (\$5,500). The board will have discretion in hard to fill positions to make allowance for more than 10 years of experience. No newly hired teacher in the District will be paid more than a returning teacher similarly situated. Similarly situated means same educational lane and total career years of experience. - B. **Returning Teachers.** Returning teachers will each receive a \$1,250 increase over their 2021-2022 contract salary in 2022-23 and a \$1,250 increase over their 2022-23 contract salary in 2023-24. Part time teachers will receive a proportionate amount. For example, a 20% time teacher would receive 20% of what their salary would be if full time.
- C. **Movement on Educational Lanes.** Returning teachers will also receive an additional \$550 increase (for a full time position) if they achieve movement on the educational lanes. If a substitute is hired, the school district will pay the substitute.
