

2022-2023
ARTICLES OF NEGOTIATION

ARTICLE I. TEACHER WORKLOAD

Section 1.0 Lunch Period:

All teachers shall be provided with a duty-free uninterrupted lunch period of at least one-half (1/2) hour each day.

Section 1.1 Elementary Education Teachers:

Each elementary teacher will be allowed 250 minutes of prep time per week. Prep time is defined as a period without students.

Section 1.2 Secondary Education:

Secondary teachers will teach a maximum of six (6) class periods per day. One period of preparation time will be designated in each teacher's schedule. This time will be free of other assigned duties. Additional class periods may be assigned to a teacher upon mutual consent of the teacher and the administration. For each additional class assigned a teacher, said teacher shall be paid an additional daily amount as determined by his/her position on the curricular salary schedule in the following formula:

2017-18 and 2018-19 Formula

- Curricular salary divided by 8 periods/day equals the salary for each period. (Ex. \$40000 divided by 8 equals \$5000 per period.)
- The salary per period will be prorated according to the number of days taught, if not for the entire year. (Ex. 1 semester = \$2500)

Formula is based on the state required calendar of days and an eight-period day. In the event of a seven period day the formula will reflect that change.

Section 1.3 Substitute Teachers:

When regular teachers are absent, substitute teachers will be hired whenever possible.

Section 1.4 Combination Classroom: An elementary teacher assigned to teach a combination classroom will receive payment \$4000.00 above the negotiated contract salary (pro-rated for percentage of time spent in the combination classroom). If the combination is for less than 1 year, it will be pro-rated to the length of the teacher assignment.

ARTICLE II. TEACHER LEAVE

Section 2.0 Sick Leave:

At the beginning of each school year, each teacher shall be credited with ten (10) days of sick leave allowance.

If a teacher teaches for only a fraction of his or her contract term, only that fraction of his or her 10 days of sick leave allowance is to be awarded that year.

Earned sick leave over 90 days will not be paid before the end of the year. The Maddock Public School complies with the Family Medical Leave Act.

The unused portion of such allowances shall accumulate from year to year without limitation up to ninety (90) days. For each day accumulated over 90 days and up to 10 days, the teacher will be paid \$30.00 per day for unused sick leave. Upon leaving District employment, a teacher will be paid for all accumulated sick days at \$25.00 per day.

Section 2.1 Sick Leave Bank

GENERAL DESCRIPTION

The licensed staff of the Maddock Public School may voluntarily join a sick bank established by the staff in cooperation with the Maddock School Board. The days in the sick bank will come from the sick leave days accumulated by individual staff members. The maximum number of days in the sick leave bank at any one time will be 180 days. The total cost to the district in any one school year is limited to no more than 5 percent of the General Fund ending balance as reported on the North Dakota District Financial Report of the previous year. The eligibility period will begin on the 1st day of school and end on the last day of school.

DETAILED DESCRIPTION

A Sick Leave Bank is available to licensed (administration, teacher, counselor, librarian, etc.) staff of the Maddock School. The purpose of the bank shall be to provide additional leave for unexpected and catastrophic illness and/or injury of the employee. A day will be considered a full day, whether contributed by full-time or part-time staff. The business office staff will maintain all records.

Participation in the Sick Leave Bank is voluntary. However, all those agreeing to participate in the bank must continue their involvement until they cease employment with the Maddock Public School. Only sick leave bank participants may draw on the bank. The enrollment period for new members shall be from the first day of school until September 15 of each year.

New members are defined as newly hired eligible participants to the District prior to each annual enrollment period. New members will acknowledge on their enrollment form that membership is voluntary and that they contribute sick days available to them prior to accumulating the 30 days mandated by N.D.C.C. New members electing to participate will invest two sick leave days the first year of enrollment. New members declining enrollment during their first enrollment period cannot join at a later date.

Participating members shall invest two sick leave days the first year of membership and one day each succeeding year until the bank has a balance of not less than 180 days. No further sick days will be assessed once the bank totals 180 or more days. The bank can exceed 180 days only with new member enrollment. All days assessed/donated to the Sick Leave Bank will become the property of the Sick Leave Bank, and no hold or ownership will be maintained by the participating member. The Business Manager shall provide an accounting of the Sick Leave Bank to all members on October 1 and May 31 if any Sick Bank Leave days were approved during that school year.

The Maddock School District will be limited in its liability to pay no more than 5 percent of the General Fund ending balance of the previous year due to sick bank leave. The ending balance is found on the Maddock School District Financial Report for any given year.

Any member who has used his/her total accumulated personal sick leave may, after 5 teaching days without pay, apply to the Sick Leave Bank for consideration to draw on the Sick Leave Bank days. Application must be in writing and given to the Sick Leave Bank Committee for consideration within 5 working days following the

return to work. However, if the absence occurs in May, application must be made before the last day of school. An application form can be obtained from the business office.

Rate of pay for approved Sick Leave Bank days will be equivalent to that member's daily rate of pay (9-month contract /State required calendar of days) and will be paid at the normal payroll date(s) following the members absence, however, the members final paycheck may be postponed if Sick Leave Bank days are granted in May. The employee may be reimbursed for the 5 unpaid days pending the committees' approval.

The Sick Leave Committee shall consist of two (2) board members, an administrator and three (3) teachers. Committee members must be participants in the bank, and all those participating in the bank will be considered for committee appointment, regardless of membership in the MEA. Each member shall serve for staggered three-year terms. The first-year appointments shall reflect different term lengths. The purpose of the committee shall be to oversee the use of the bank.

A Sick Leave Bank committee member's term will cease if that member applies to the Sick Leave Bank for consideration. A replacement will be appointed to the Committee.

The committee shall approve only days that have been used. The committee shall use the following criteria to grant or reject a Sick Leave Bank application:

- The number of days requested.
- The number of days available in the bank.
- The reason for the application.
- The attendance history of the applicant.
- Any extenuating circumstances regarding the application.

The committee will meet within three working days upon receipt of a request, and a decision will be made at that time. The committee shall not meet until all members are available. A decision by a simple majority will be binding to the committee and the applicant. An applicant with a denied request to utilize the Sick Leave Bank may apply for reconsideration by the committee if additional circumstances or complications arise.

Section 2.2 Personal Leave

Three (3) days of personal leave with the accumulation to five (5) days will be allowed with the following restrictions:

- a. These days are granted on a first come – first serve basis, pending availability of substitute teachers.
- b. One hundred twenty dollars (\$120) a day will be paid teachers for personal days not used.

Section 2.3 Professional Leave

Professional leave shall be granted at the discretion of the superintendent to each teacher to attend professional meetings or workshops. The administrator may request a teacher to attend or represent the District at a meeting, workshop, or other school related matters. This leave, requested by the Superintendent, will not count against other teacher leaves as listed in the Master Contract.

Section 2.4 Bereavement Leave

Bereavement leave, up to but not exceeding three (3) days per school year, may be granted. Upon request, where the three (3) days of the immediate family bereavement leave are expended, the principal may

recommend an extension of the bereavement leave to the superintendent who shall have authority to grant up to an additional two (2) days of bereavement leave per school year

A teacher may utilize three (3) days of sick leave for funeral attendance or in cases where the teacher is called to the bedside, or where there is a death, provided that he/she has not received any remuneration after his/her allotted sick leave has expired. All additional time missed in attendance will be subtracted from their personal leave time.

In the event of the death of a staff member's family, the Maddock School District will send those who wish to attend the funeral as a delegation with no time assessed, provided the staff member's sub agrees to cover the absence without additional salary.

Section 2.5 Emergency Leave

Up to one (1) day of paid time off per year will be allowed for emergencies. An emergency will be defined as a crisis over which the individual has no control, and which cannot be attended to during non-school hours. Emergency leave includes but not limited to weather-related situations, flooding, and accidents. Emergency leave does not include events that would be covered under sick leave, or bereavement leaves. The employee will contact the building principal or his/her designee. The administrator will decide whether or not the leave is approved and will notify the employee of the decision with a written explanation.
